A Message From "Doc" Tait

Best wishes for the success of the Sixth Annual Secondary Schools Rowing Association Regatta.

Today, oarsmen and scullers from Canada and the United States will strive to bring athletic honors to their schools. They will do this in the great tradition of rowing—a sport cleanly competitive and truly amateur.

To my way of thinking, this old world of ours would be in much better shape if the basic tenets of rowing were to be practised by all men.—To play the game hard but to play it fair; to play the game for the honor of the school or the club or the country rather than for individual glory or gain.

We of the Henley Aquatic Association are proud to be a part of this great sport of rowing. In promoting amateur rowing in Canada and sponsoring all regattas held on the Royal Canadian Henley course, we feel we are doing our part to maintain a priceless heritage, as well as the greatest sport of them all.

Our compliments and our appreciation to the men who row!

Sincerely,

W. T. "DOC" TAIT,

President.

St. Catharines, Ont.
