

A Message from the President

As President, and on behalf of the Canadian Secondary Schools Rowing Association, I consider it a great honour and privilege, to extend to our many guests, both Canadian and American, a hearty welcome to this, our Third Annual Regatta.

I wish also, at this time, to express our most sincere appreciation and thanks, to the many individuals and groups, whose combined efforts has assured the success of this regatta.

I would consider myself remiss, if I failed to mention the many courtesies extended to us by the Mayors and Civic Officials of St. Catharines and Port Dalhousie. To them may we say, that we will look forward with pleasure to returning next year.

Extra special mention goes to that wonderful group of sportsmen. The Henley Aquatic Association, for their many past favours, as well as their untiring efforts, in furthering the success of this regatta.

Last, but not least, we of the Canadian Secondary Schools Rowing Association feel that tribute should be paid, to the unsung heroes, the high school rowing coaches and the various associations and rowing clubs, who have given so generously, of time and equipment, to further the success of high school rowing, in Canada.

In closing I want to extend, on behalf of the Canadian Secondary School Rowing Association a cordial invitation to be with us next year.

Sincerely,
DOUG S. WELLS, President.

This program donated by the two advertisers below in the interests of High School Rowing.
