

MESSAGE FROM THE PRESIDENT

It is with a great deal of pride and personal pleasure as I enter my first year as President of the Canadian Secondary Schools Rowing Association.

This association like many school boy functions would find it difficult to carry on without the support and interest shown by the parents, teachers and principals of those schools represented here to-day.

I would like to pay particular tribute to the tremendous sacrifice by the coaches of the crews here, for it is a result of their time, study of the individual as part of the crew. His ability to take a group of boys and first, build them into oarsmen, then mould them together as a crew. He then must also have the ability to bring his crew along not only physically for the task that lies ahead, but mentally as well. What the coach does for the student oarsmen by grooming him for the race, rowing as a sport, prepares him for the greatest of all challenges "life".

To the victors of to-day's events, I extend my heartiest congratulations. To those high school oarsmen who have tasted defeat this year, you are to be commended. It is better you rowed and lost, than to never have rowed at all.

Sincerely,
 JAY STOCKS,
 President,
 Canadian Secondary Schools Rowing Association.
