REGATTA POINTS CHAMPIONSHIP — COSGRAVE TROPHY

LAST YEAR'S WINNER — ST. CATHARINES COLLEGIATE

A MESSAGE FROM THE PRESIDENT

This being Canada's Centennial Year, we of the Canadian Secondary Schools Rowing Association, were fortunate enough to be able to combine our 22nd annual regatta with the 33rd annual regatta of the Schoolboy Rowing Association of America. To the Executive and Competitors of the American Association, we extend our warmest welcome.

The blast of the finishing gun of the final race on Sunday will not only signify the end of the regatta, but also my term of office as President, which I have had the pleasure of holding for the past two years.

I would like to express my thanks to all of the men on my executive and the many others along the sidelines, who worked with me in preparing for these regattas.

A special vote of thanks is extended to Mr. John Carlin of Philadelphia with whom I have worked to produce this combined regatta.

But what would any sport be without competitors. At this point I would like to say a few words in favour of the young men who are here to compete and of the sport itself.

Take a close look at the hundreds of boys who have travelled here from various points in Canada and the United States and I think you will see the same as I have seen over the past 20 years that I have been associated with Rowing.

They are clean cut, healthy of mind and body and eager to show the other schools what the past months of daily rigorous training has done for them. They arrive as a crew. . . They row as a crew. . . They win or lose as a crew. They do not have four or five stars, who captivate the lime light in victory, but are seldom heard from in defeat. Rowing makes each crew member feel that he belongs.

This to me is the sport of rowing and this to me is the body of superb young men who make it the sport it is to-day and these are the reasons that I am proud to have my son competing in this Centennial Schoolboy Regatta.

W. F. DANN

PRESIDENT
