

MESSAGE FROM THE PRESIDENT

With the arrival of the '70's, it is my hope that the progress and growth shown during the '60's will continue.

High school rowing has shown a great increase in interest and participation during the latter part of the '60's, with the addition of two novice events to provide competition on a level of first year oarsmen.....It has proven so successful that we are adding 135 pound novice 8 events to this year's program.

This year there will be an additional award made to the crew who places second as we feel this in itself is a feat any oarsman should be proud of.

To all the oarsmen — I wish you the best of luck!

MAX McDONALD,
President,
Canadian Secondary Schools Rowing Association
