

**Canadian Secondary Schools Rowing Association
Championship Regatta June 2nd-June 4th 2023**

Vendor Information – 2023

Attached is the vendor contract for the 2023 Canadian Secondary Schools Rowing Association Championship Regatta. To reserve space, review the enclosed information and return your registration form together with your cheque as soon as possible.

The main vendor area is located in the green space adjacent the Henley Island Helpers (HIH) food concession. Vehicles will be allowed in for drop-offs and pick-ups but must be removed from the site by 7:30 am each day. Vendors must supply their own tables, chairs, canopy, and fire extinguisher. In the event that a canopy is used, it must be fire retardant. During the regatta, inspections by the St. Catharines Fire Department will take place; tents that do not meet the code will be removed from the site. For your convenience, parking for vendors is provided in close proximity to the vendor area. Vendors can set up as early as Thursday, June 1st, 9 am to 7 pm. Merchandise should be removed each evening, as we have limited security. Please note **we are not responsible** for any merchandise that is left over night. Lots in either 10' or 20' frontage with a 10' depth will be designated by orange cones and/or spray paint, please respect the spaces that are assigned to other vendors, and do not impede the lot boundaries.

Boat builders will be located along the waterfront in the boat yard area (approx. 1300 metre mark). Each boat builder will have an area for their hospitality tent and trailer. Please respect the 20' lots designated by orange cones and/or spray paint, and do not infringe on the space assigned to other vendors.

Pricing
